

UPDATED FOB AND ACCESS CARD DISTRIBUTION PROCESS

INITIAL FOBS/ACCESS CARDS: As most of the members' fobs & cards have been distributed, there will no longer be bi-monthly distribution dates/times. Going forward, if you have not received your initial fob/access card or need an additional/replacement fob or access card, please contact Bob Waters in person, at odbcsecretarybobwaters@cox.net or 571-238-5061 to make arrangements.

Activation may take up to a week after request. Pick up will be at the Tap Room Bar. Only the ODBC member may pick up fobs/access cards. Please bring a valid photo ID. Any fob/access card not picked up within a month will be deactivated and placed back in inventory. If you are picking up your initial fob & card you will be required to sign a form acknowledging receipt and there will also be instructions on their use.

Newly inducted club members will be given instructions in their welcome letter on picking up their initial fob/card.

LOST/ADDITIONAL FOB/CARD

If you have lost your fob/card please notify Bob Waters, at odbcsecretarybobwaters@cox.net or 571-238-5061 as soon as possible so that it can be deactivated so no one can access the ODBC property. You can then arrange for a replacement.

A lost/additional fob will cost you \$50. A lost/additional access card will cost you \$20. Payments will only be made at the Tap Room with the bartender on duty. They will ring it up like any other transaction on the POS register. A non-working fob/card will be replaced at no cost. Replacement battery for your fob is your responsibility.

FOB HINT

Did you know that in addition to opening the vehicular gate, your Fob can open the pedestrian gates and exterior building doors by simply holding the backside (white label) of the fob against the card reader near the gate/door?
